

Green Slate Chippings

Product guide

Heidelberg Materials Green Slate Chippings are available as 15mm-30mm natural slate chippings and as 40mm natural slate chippings.

Applications

For use in Flower borders, ground cover, infill around ponds and plant pot topping. This product is not suitable for fishponds or aquariums. We recommend that this product is re-washed in clean, fresh water prior to use. Decorative aggregates are natural products and variations in size and colour may occur due to geographical and processing variables.
