

Pearl Grey Gravel

Product guide

Heidelberg Materials Pearl Grey Gravel is a 20mm single-sized grey flint-based gravel.

Applications

Ideal for driveways, car parking, footpaths, flower borders, ground cover, infill around ponds and plant pot topping. This product is suitable for fishponds or aquariums. We recommend that this product is re-washed in clean, fresh water prior to use. Decorative aggregates are natural products and variations in size and colour may occur due to geographical and processing variables.
